**THE ROCK SINGER**

## JENNY DARREN

Jenny Darren - a singer from the age of 12; Heavily influenced by rhythm & blues players, went on to obtain a deal with the folk/blues label **Transatlantic records**, in her formative teenage years.

In her early twenties, Jenny burst onto the rock scene supporting **AC/DC** on tour. Probably the only Female rock singer ever to do so.

Missing out by a hairs breadth, with a late single release of **Heartbreaker**, which was a hit for American Rock Vocalist -**Pat Benatar**. Albeit written for Jenny by Manchester songwriting team - **Geoff Gill & Cliff Wade**.

After recording and releasing no less than four albums on **DJM** records. Thereafter, supporting be bop deluxe on a live BBC performance of "**Sight & Sound in Concert**". Many gigs, tours, & Festivals later, Jenny hung up her rock heels in the 80's, to venture into a soirée of jazz & crossover classical avenues..

Fast forward to **2015**, which saw her returning to her rock roots. **Angel Air records** released a "**Best of**" **Compilation** of the **DJM vinyl releases**, getting Jenny's music onto CD for the first time. Ultimately deciding to re record **Heartbreaker** on the recommendation of a friend, she began to work on a brand new album. In the interim, recording an album with the Finnish Prog Rock Band..... **Paidarion, with the album-The Finlandia Project**, which was released in November 2016.

The August **2017** album release - **Ladykiller**, by **Jenny Darren & The Ladykillers**, includes two versions of **Heartbreaker**, one being a brand new acoustic version. The album features Rock notables such as - **Iron Maiden drummer - Nicko McBrain, together with guitarist - Graham Oliver (Saxon) bassist - Chris Slade (AC/DC) Pete Way (UFO) Guitarist Robin George (Phil Lynott Band) & fiddle player Tom Leary (Lindisfarne)**

### 2018

In May, Jenny released an album of previously unreleased 1970/80's material, entitled "**Rare Bird in Rock**" written by herself & Prog Rock **England** keyboard player - **Robert Webb**. Together with a download re- release in July of the **1980 Jenny Darren album, re-entitled .... The Pink Album**  
On June 5th - Jenny released the AC/DC cover "**Highway to Hell**" as a download single on Amazon & iTunes.

From September - December 2018; Jenny & her then band (**The Ladykillers**) undertook an Autumn U.K.Tour.

In June, **Producer/Guitarist/ Robin George** approached Jenny with regards to recording an album with her. The recording commenced in late June 2018.

In the early Autumn of 2018, Jenny undertook a short ten day tour with

**Robin George & the L♥vepower Band.**

From **late September - December**, Jenny did her last gig dates with the **Ladykillers band,**

**2019**

Due to various changing **Ladykiller's personnel** in 2018; Jenny took time out for the first few months of 2019 to continue writing her autobiography.

After having discussions with West Lothian - **Colin Crozier's POWER-HOUSE BAND**, it was decided that Jenny & the band would initially collaborate together on her **BIG BIRTHDAY PERFORMANCE BONANZA** - in October. Together with a **special commemorative limited edition CD album release**; Comprising of 14 tracks (two from each decade) entitled

**"70 Fragments"**. **To follow** on with pre Northern U.K. dates in December.

With selected Spring performances; culminating with the **Edinburgh Festival in summer 2020.**
